

Cache Evaluation

The Cache Manager is responsible for evaluation of items carried and the services provided by the Great Basin Cache. Field input will be considered and reviewed annually, with adjustments in goods and services implemented as necessary.

Please complete this evaluation form to rate the quality of service and equipment received from the Great Basin Cache. We welcome all comments and recommendations.

Circle the appropriate rating using the following scale: 10-9 = Excellent 8-7 = Very Good 6-5 = Good 4-3 = Fair 2-1 = Poor 0 = No Value N/A = Not Applicable												
Cache Order Accuracy	10	9	8	7	6	5	4	3	2	1	0	N/A
Cache Order Delivery Time	10	9	8	7	6	5	4	3	2	1	0	N/A
Equipment Quality	10	9	8	7	6	5	4	3	2	1	0	N/A
Equipment Kit Quality	10	9	8	7	6	5	4	3	2	1	0	N/A
